IEEE CTSoc CEA Technical Community - 1st meeting 2024
02 April 2024 18:00-18:30 (UTC+05:30) Chennai, Kolkata, Mumbai, New Delhi

MoM:

- Yogesh talked about pass downs from TC officer's meeting.

  Tech talk cadence change

  Upcoming conferences / Opportunity to volunteer and participate.

  IEEE Int. Symposium on Consumer Technology, Bali, Indonesia, August 13-16, 2024
  ICCE-Asia 2024, Da Nang, Vietnam, November 3-6, 2024
  43rd Int. Conf. on Consumer Electronics (ICCE 2025), January 11-14, 2025, Las Vegas, USA

- Received a tech talk review proposal from Chris, he presented the short summary of final tech talk - appears pretty detailed work backed up with data in the area of autonomous driving, failure prediction and correction. We would like to go ahead with this tech talk.

      Topic - Failures of Autonomous Systems and How to Predict Them
      Presenter - Christopher B. Kuhn

  Next open slots - May and June - Opted for May end (27th - 29th May CET 2:30 pm / noon works)

- Opens / proposals to improve TC participation
  More groups in TUM to be contacted to expand the community
