

Entertainment and Gaming Technical Committee (ENT-TC)

Meeting Minutes

October 6, 2022, 21:00-21:40 JST via Zoom

Meeting participants:

Ruck Thawonmas, Worawat Choensawat, Ilija Basicovic, Curtis Gittens, Ilenius Ildephonce, Piyarat Silapasuphakornwong, Miao Song, Yoones A. Sekhavatand, Mustafa Can Gursesli, and Pier Luca Lanzi

Welcome to new members:

Ruck welcomed newly four ENT-TC members as follows:

- Piyarat Silapasuphakornwong, Bangkok University
- Veeramani Ganesan, Paramount Global
- Mustafa Can Gursesli, University of Florence
- Miao Song, Canada China Art-Tech

Piyarat, Mustafa, and Miao attended the meeting and made a self-introduction.

TC Officers Elections:

Worawat explained TC officers' election, in which the current officers' term will end on December 31, 2022.

- TC Officers Elections will be held end of 2022 by the Nomination and Election (N&E) Subcommittee
- The Technical Committee Board (TCB) appoints the members of the N&E Subcommittee.
- TC Officers shall be TC members and CTSoc members from Jan 2023. They do not need to be CTSoc members at the time of nomination.

- Voters don't need to be CTSoc members yet for the incoming one but must be for subsequent elections.
- The N&E Subcommittee Chair shall send the election report to the TCB within two weeks from the election.
- Election results shall be ratified when approved by the TCB, with notification to the TC Chair within four weeks after receipt of the Election Report.
- If the TCB does not approve the election results, the TC shall organize a new election.
- At least two candidates on the ballot for each office position (Chair, Vice-Chair, and Secretary). If there are not enough nominations, the N&E Subcommittee shall identify additional candidates.

ENT-Talks:

Ruck gave a summary of ENT talks. So far, we have done seven talks, where the first three talks were reported in the last meeting. The last four talks are as follows:

4th

Title: Applications of Augmented Reality in Consumer Media

Speakers: Max Lu

Date and Time: June 29, 9:00-10:00 AM (JST)

Number of Participants: 13

5th

Title: Brain, Music, and Cognition: Music-Listening Electroencephalography Analysis

Speakers: Humaira Nisar

Date and Time: July 27, 21:00-22:00 (JST)

Number of Participants: 21

6th

Title: Towards a Mixed-initiative Approach for Creating Educational Games' Specifications

Speakers: Ilenius Ildephonce

Date and Time: August 26, 21:00-22:00 (JST)

Number of Participants: 12

7th

Title: Your Robot's Attitude Could Ruin Your Relationship-Attitude Similarity and Robot Perception

Speakers: Curtis Gittens

Date and Time: September 27, 10:00-11:00 AM (JST)

Number of Participants: 13

On the fourth ENT talk, we came up with an idea to write a short article, as a column article, for IEEE Consumer Electronics Magazine, which is now under revision.

Call for Presenters for the subsequent talks.

- Miao volunteered for a talk in October (details to be announced)
- Piyarat volunteered for a talk in November (details to be announced)
